

2018 KCCS Blepharoplasty Basic to Advanced Course Only for 4 Doctors “Only 1 Seat Available”

May 17th~19th, 2018 Midream Clinic, Gunsan, Korea

Min-Jung Kim, MD & FKCCS 

Director of Midream Clinic
Oculoplastic Surgeon(Ophthalmologist)
Blepharoplasty
Graduated from Chonbuk National University Medical School
Teaching fellow of KCCS

Greetings!

This practical program is good for cosmetic surgeons as it is an intermediate (including basic to advanced) cosmetic surgery course. For effectiveness of education, this course will only accept maximum 4 doctors. It would be a very informative program to learn practical knowledge of blepharoplasty in Asian people.

We are looking forward to the participation of interested doctors in this workshop.

See you in Gunsan!

Min-Jung Kim, MD & FKCCS

Program

- ✓ subbrow lift with internal fixation
- ✓ upper blepharoplasty : incisional, non-incisional
- ✓ levator aponeurosis repair, tucking
- ✓ lower blepharoplasty c retinacular suspension
- ✓ lateral tarsal strip operation
- ✓ epicanthoplasmy, lateral canthoplasty
