# 2019 KCCS Fresh Cadaver Dissection Workshop in Manila, Philippines

## Educational Hands-on Cadaver Workshop to Avoid Cosmetic Surgical Complication

Greeting Dear Colleagues,

The Korean College of Cosmetic Surgery will host the 2019 KCCS Fresh Cadaver Workshop for Cosmetic Surgery at CASSTI @ The Medical City, Manila, The Philippines.

Aims of this Cadaver Workshop are to educate the workshop attendees about the intimate knowledge of the basic and surgical anatomy, and to practice cosmetic surgical procedures on fresh cadaver under the direct supervision of experienced cosmetic surgeons. Attendees can have hands-on practical training of cosmetic surgery on 'fresh cadaver' whose state is very similar to live human tissue.

Most of the speakers are cosmetic surgeons and are the fellows and professors of KCCS. All lecturers will devote their undivided attention to the enhancement of the attendees' anatomical knowledge and will guide attendees through common cosmetic surgical procedures as planned in the program.

This workshop will provide attendees a memorable hands-on experience on 'fresh cadaver' and able to observe live surgeries conducted by our experienced speakers who are experts in their own field.

We hope you can join us and have a great workshop together.
