

**2017 KCCS PRE-EXAMINATION COURSE FOR KCCS FELLOWSHIP/DIPLOMA**  
October 13<sup>th</sup> ~ 14<sup>th</sup>, 2017

Greetings, dear members!

This year marks the 6<sup>th</sup> Fellow/Diploma held by KCCS. As usual, we have prepared a Pre-Examination Course for the upcoming examination's candidates on October 13<sup>th</sup> ~ 14<sup>th</sup>, 2017 in Seoul, South Korea.

During the course, KCCS teaching fellows will be giving lectures on their topics. We hope this will be a fruitful 2 day workshop for our exam candidates. This workshop will be a great opportunity for teaching fellows and diploma/fellowship course members to share knowledge and experience on cosmetic surgery. A dinner gathering will be arranged for workshop attendees and teaching fellow to enhance friendships and to spend some good time together on Saturday night.

We would like to express our sincere appreciation to diploma members who have worked hard towards the completion on their diploma course, KCCS professors who have taken responsibility to conduct classes and also to KCCS staffs who make sure that all diploma courses can be carried out successfully.

Members who have completed the Diploma course and passed the graduation examination will be entitled  
FKCCS (Fellow of Korean College of Cosmetic Surgery).

We look forward to the participation of many exam candidates in this program.
